ABOUT US

ISAZI PROPSHAFT is a leading manufacturer of special purpose propshafts and uses the latest in balancing technologies to repair and service most major brands of propshafts and propshaft components in the marketplace. The staff within Isazi Propshaft have over 90 years' worth of experience in the propshaft industry and are well equipped to handle the most intricate of challenges.

Our business is situated in the CBD of Pretoria, but we service our loyal client base far and wide across South Africa. The business has a dedicated sales team who are armed with the best possible tools and latest industry knowledge to assist you with your propshaft requirements.

VISION:

Our vision is simple. "We wish for all vehicle owners, mining and industrial customers, in South Africa to be serviced by our team and to ensure that they experience our professional propshaft service".

MANTRA:

Our mantra is our guiding principle and we believe it when we give our promise to a customer. We are *"the propshaft specialists"*.
